CONMAR COATING SERVICES (CCS)

CCS have been engaged by this vessel for both our repaints (2000 and 2007). In monetary terms we can quantify our savings as around 15% of the total cost of the job; reason enough to employ their services. However, in terms of quality advice and support to me as a Captain managing a major refit, their advice has been invaluable.

I have no hesitation in recommending CCS to anyone looking for the very best in this very specialised field.
